

Venue Change Announcement

♥ A Heartfelt Thank You — Bloomington Knights of Columbus

After 10 incredible years, we must bid farewell to our longtime home — the Bloomington Events Center (Bloomington Knights of Columbus). The property has been purchased by the neighboring car dealership, and the venue will close permanently in September 2026. The amazing people there have been a cornerstone of our club, and while we're deeply saddened to see this chapter end, we carry with us nothing but gratitude and wonderful memories from a decade of partnership. Thank you for everything.
